«E-70-3NA»

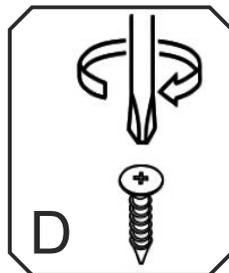

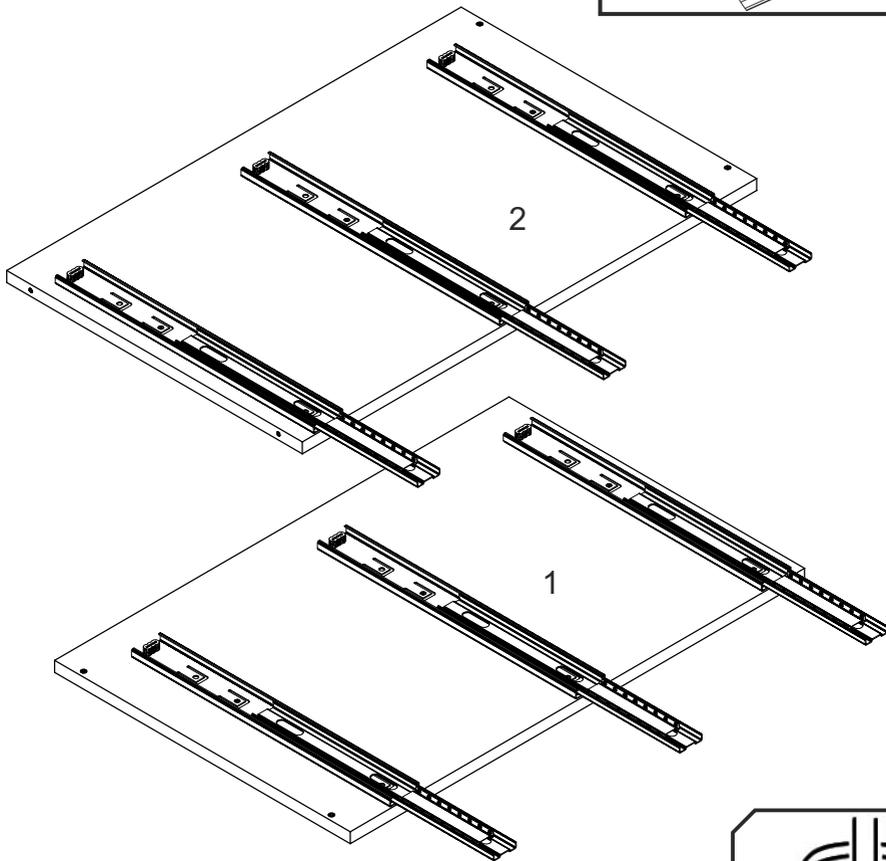

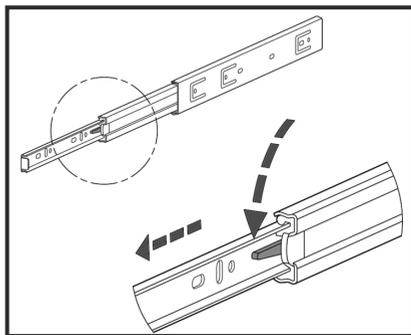

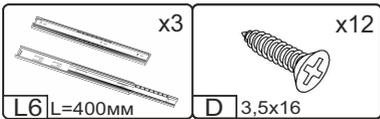

| №  | довжина(мм)<br>length(mm) | ширина(мм)<br>width(mm) | кількість<br>quantity |
|----|---------------------------|-------------------------|-----------------------|
| 1  | 704*                      | 458                     | 1                     |
| 2  | 704*                      | 458                     | 1                     |
| 3  | 458**                     | 700*                    | 1                     |
| 4  | 668*                      | 74                      | 2                     |
| 5  | 384*                      | 68                      | 2                     |
| 6  | 384*                      | 164                     | 4                     |
| 7  | 642*                      | 68                      | 1                     |
| 8  | 642*                      | 164                     | 2                     |
| 9  | 140**                     | 696**                   | 1                     |
| 10 | 285**                     | 696**                   | 2                     |
| 11 | 610                       | 384                     | 2                     |
| 12 | 718                       | 346                     | 2                     |
| 13 | 642                       | 405                     | 1                     |

**Важливо!** Перед свердлінням отворів переконайтеся, що правильно обрали розташування ручок, і використовуйте відповідний інструмент.

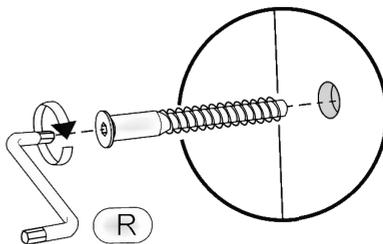

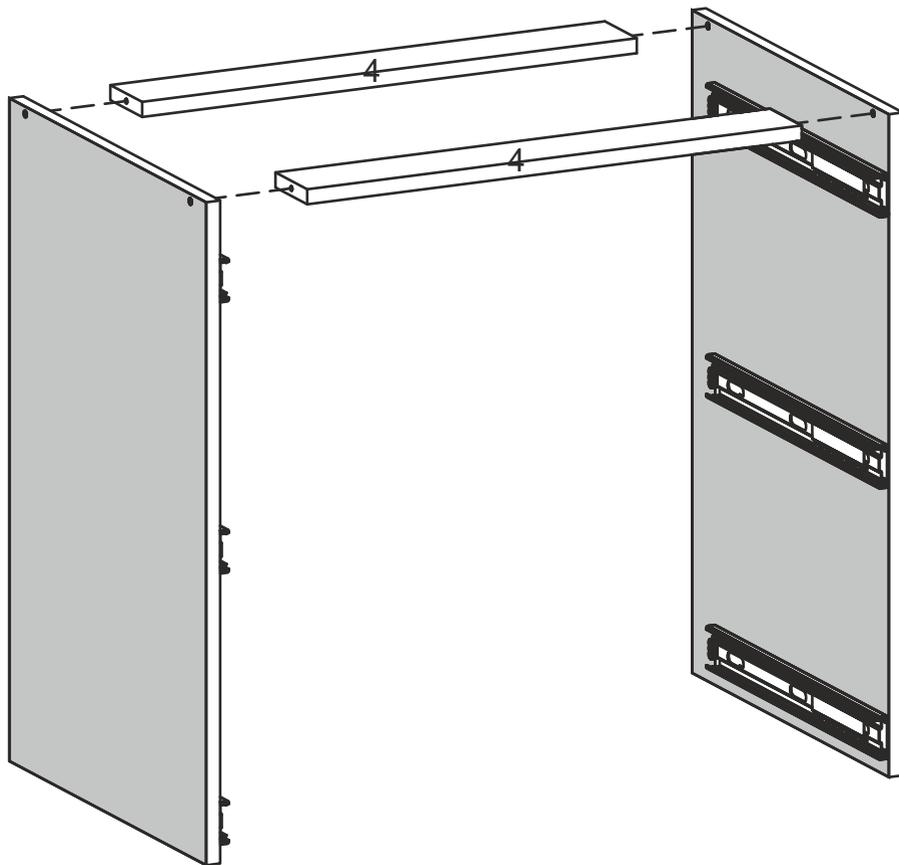

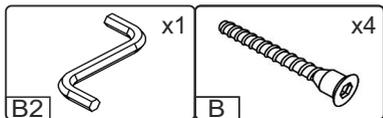

**Important!** Before drilling holes, make sure you have chosen the correct handle placement and use the appropriate tools.
